

Is northeast good for master bedroom?

Where should I place the kitchen?

Is northeast good for master bedroom?

Can I build pooja room above toilet?

What is the ideal location for study room?

Where i should place the staircase?

Ask Vaasthu

Vaasthu Response

According to Vaasthu Shastra, the northeast direction is not suitable for the master bedroom as it is associated with energies that can disrupt the household head's mental clarity and decision-making abilities. Instead, the southwest direction is recommended for the master bedroom to ensure thermal stability, natural ventilation, and proper energy flow.
